PETITION FOR REMOVAL OF AN APPLICATION FROM ABANDONED STATUS
UNDER 37 CFR 1.81

The above-identified application became abandoned because a Response, mailed initially on June 2, 2005 was allegedly not received by the United States Patent Office.

Upon receiving a Notice of Abandonment mailed April 5, 2006, Applicant's undersigned representative sent true copies of the same Response as well as the date stamped return postcard again via first class mail on May 4, 2006 to the Examiner.

In view of the forgoing, we ask that the Notice of Abandonment be withdrawn for this application and that the application be removed from abandoned status.

Respectfully submitted,
